

Howard East Memorial AVID Bursary

Howard East was a welder and pipefitter who worked for CFB Esquimalt and Dockyard (ship repair). His belief in hard work, determination, and a desire to help those in need, is the underlying motivation behind this bursary.

The Howard East Memorial AVID Bursary consists of two, \$500 awards being granted to current AVID 12 students attending Belmont Secondary School who intend to pursue a post-secondary education at a recognizable institution in the fall of their graduating year. Successful applicants will have demonstrated a consistently strong work ethic along with academic success. Furthermore, they will epitomize the spirit of AVID's "individual determination." Financial need will be a significant consideration in determining the recipients of this bursary.
